I . Overview of Financial Results for the First Half of FY2016 • Financial Forecasts for FY2016

Main Points in the Results for 1H of FY2016

[Year-on-year comparison] In addition to the strong performance of the Company's real estate leasing/railway operations due to full-year operation of the Futako-Tamagawa Rise phase II, etc., the acquisition of Tokyu Recreation as a subsidiary, among other factors, contributed to an increase in revenue. However, profits decreased partly because of an increase in depreciation of the Company's railway operations.

[Comparison with the August forecast] Despite a decrease in revenue in the Life Service Business and the Hotel and Resort Business, among other businesses, profits increased mainly owing to cost reduction of the Company's real estate leasing business and a decrease in power costs of the Company's transportation business.

	1H Results	YoY Comparison	Comparison with Forecasts as of Aug.
Operating Revenue	548.1	+ 15.1 (+ 2.8%)	- 5.3 (- 1.0%)
